Mold collection 2023-2025

The background image shows a variety of Celestial Flames products. In the foreground, there's a clear glass bottle with a cork stopper labeled 'POOTHECARY MATCHES'. Next to it is a white pillar candle with a pink label that reads 'wellbox Happy New Year Citrus Fragrance' and 'minimalist mom'. Behind these are several other candles in different containers, including a large tan-colored one and a clear glass jar with green leaves inside. The products are arranged on a light-colored surface with a textured cloth underneath.

WAX TYPES AVAILABLE

Soy wax

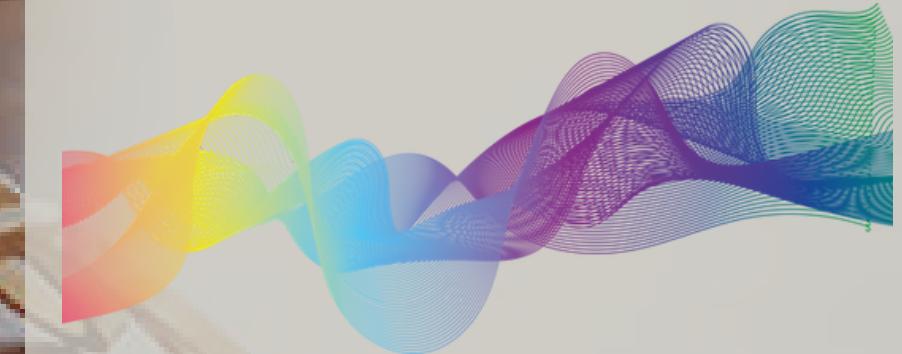

Gel wax

Paraffin wax is derived from petroleum and releases harmful toxins when burned, which can contribute to indoor air pollution and health issues. Choosing natural alternatives like soy wax ensures a cleaner, longer-lasting, and eco-friendly burn.

CUSTOMIZED COLORS AVAILABLE

We offer an extensive range of colors, allowing you to choose any shades you desire for your custom candle.
